**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached FORM PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

In view of the recent Federal Circuit case, Nilssen, et al. v. Osram Sylvania, Inc., et al., submitted herewith are copies of two complaints filed by Minerva Industries, Inc. ("Minerva"), the owner by assignment of the above-captioned application, Application Serial No. 10/773,606 ("the '606 application"). In the complaints, Minerva alleges infringement of U.S. Pat. No. 6,681,120 ("the '120 patent")

and further alleges that it will amend the complaint to add a count of infringement once a patent issues from U.S. Patent Application Serial No. 10/719,363 ("the '363 patent"). See para. 50 of Ref. No. AA and para. 8 of Ref. No. AB as listed in the attached Form PTO-1449. Minerva is the owner by assignment of the '120 patent and the '363 application. The '606 application is a continuation-in-part of the '363 application which is a continuation of the '120 patent. No responsive pleading has been filed by any of the defendants named in complaints.

In accordance with 37 CFR 1.97(g), the filing of this Supplemental Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Supplemental Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

This Supplemental Information Disclosure Statement is filed after the period specified in 37 CFR 1.97(b) but before the mailing date of any of a final action under 37 CFR § 1.113, a notice of allowance under 37 CFR § 1.311 or an action that otherwise closes prosecution in the application. Accordingly, this Supplemental Information Statement is therefore being submitted with the fee of \$180.00 as set forth in 37 CFR § 1.17(p). It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

Please charge our Deposit Account No. 50-3683 in the amount of \$180.00 covering the fee set forth in 37 CFR 1.17(p). The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 50-3683.

Respectfully submitted,

Michelle C. Kim
